Become a CSCC Member!

We invite you to become member of the Czech and Slovak Cultural Center of Minnesota! The CSCC is established to expand mutual understandings between the people of Minnesota and the Czech and Slovak Republics through a wide variety of programs and events that build:

- Relationships: with other Czech and Slovak organizations; with other Central European countries; with other European countries; and with all Americans;
- Understanding: small countries of this world that have great difficulties to enter and to remain in the cognitive consciousness of super powers; and,
- Knowledge: in our innovation-oriented society, knowledge about others – and their knowledge about us – are more important than ever.

As a member of the CSCC, your benefits will include:

- Reduced admission to CSCC events, with first preference when attendance is limited;
- Access to information and news on the CSCC web page;
- Members-only occasional bulletins and news briefs;
- Voice in governance of the CSCC and its programs;
- And, most importantly, the satisfaction of promoting the mutual interests of Minnesotans, Czechs, and Slovaks and making a difference in their lives.

Yes, I wish to become member of the Czech and Slovak Cultural Center of Minnesota!
